

NOTES

Local Property Tax Return

Failure to meet your LPT obligations to file and pay will result in a surcharge. Therefore, the amount payable in your Self-Assessment should be increased by 10%.

Where the LPT is subsequently brought up to date, the amount of the surcharge will be capped at the amount of the LPT liability involved. For assistance, you may wish to call the LPT Branch on +353 1 738 3626.

Mandatory electronic filing and payment of Income Tax

Mandatory electronic payments and filing using the Revenue Online Service (ROS), is part of Revenue's preferred strategy of using electronic channels as the normal way of conducting tax business.

Full details of categories of taxpayers included in mandatory electronic filing and exemptions applicable, are available on the Revenue website **www.revenue.ie** at '**Self-assessment and self-employment**'. **You should consult our website before filing a paper Return Form 11.**

If you are an individual who falls into any of these categories you must file electronically, even though you have received this return form.

Even if you are not a mandatory e-Filer, ROS is a fast, efficient and secure way to file your return and pay your tax. Information on further benefits of using ROS and the three-step registration process that will enable you to file your return of income electronically is shown overleaf.

Revenue provides an online payment facility via **myAccount** which enables non-ROS customers to make online payment of their tax liability. See **www.revenue.ie** for further details.

The information in this document is provided as a guide only and is not professional advice, including legal advice. It should not be assumed that the guidance is comprehensive or that it provides a definitive answer in every case.

What is the Revenue Online Service (ROS)?

ROS is a secure online facility to file tax returns, pay tax liabilities and access your tax details. It contains features which are not available in myAccount. The main features of ROS include facilities to:

- file returns,
- make payments,
- view details of your Revenue Account,
- calculate tax liability.

Registering for ROS

To use ROS you must be registered. You should allow at least 6 working days to complete the registration process, so that you can login to ROS to pay and file before the filing due date.

How do I register for ROS?

If you already have a **myAccount** login, you may be able to quickly register for ROS under Manage My Record.

Otherwise, go to **www.revenue.ie** and click on the **Online Services** image. Click on the link **Register for ROS** in the left margin. There are three steps to becoming a ROS customer. All three steps must be completed before you can access ROS.

Step 1: Apply for your ROS Access Number (RAN)

This is the first step in applying to become a ROS customer. Your ROS Access Number (RAN) will be posted to your home address. When registering, Income Tax is the tax type that will apply to you and your tax registration number is usually the same as your PPSN.

Step 2: Apply for your Digital Certificate

You can only complete this step after you have received your RAN. Enter the RAN number and complete all relevant sections. A ROS System password will be sent by text or email using the details you entered in Step 1.

Step 3: Download and Save your Digital Certificate

Using your ROS System password you can download your ROS Digital Certificate. The certificate is needed to login to ROS.

You will be asked to set answers for security questions which are used if you have difficulty logging into ROS in the future. Then you make up a certificate name and login password.

Once you have downloaded your ROS certificate you can login to ROS to file your return, pay your tax and view your account.

If you need help to register for ROS, contact the ROS Technical Helpdesk by e-mail at **roshelp@revenue.ie** or by phone at + **353 1 738 3699** .

2024 Tax Return - Helpsheet - Form 11

The notes in this Helpsheet should assist you in completing your Form 11 Tax Return and Self-Assessment for 2024. If you require more detailed notes there is the more comprehensive, **Guide to Completing 2024 Pay & File Self-Assessment Returns**, which is available on www.revenue.ie or from Revenue's Forms and Leaflets Service at +353 1 738 3675.

The Return is divided into different categories of income, tax credits, reliefs, etc. If you have no entries to make under a particular category, leave it blank and just skip to the next one and so on. **However, the Personal Details Panel on page 3 / 4 of the Return must always be completed.** Your attention is brought in particular to Panel O on the Return which requests details in respect of any claim you may have for relief on property based tax incentive schemes (e.g. 'S. 23 Relief'). If you are claiming any such relief you must give the details required on page 32 / 33 of the Return.

Pay and File

Under Pay and File you must file your 2024 Tax Return and pay your liabilities on or before 31 October 2025 (due date). On that date you must also pay any balance of Income Tax due for 2024. It is your responsibility to calculate your own tax liabilities. If you file your Return on or before 31 August 2025, Revenue will calculate your tax liability for you. This will assist you in paying the correct amount by the due date, 31 October. If you file after 31 August we cannot guarantee to provide you with an acknowledgement of self-assessment before 31 October and you may have to do your own calculations.

Where your return is submitted after 31 October 2025 a **surcharge** (5% where the return is submitted within two months, otherwise 10%) will be added to your tax liability.

Revenue Online Service (ROS)

As an alternative to completing the paper Return, if you file your Return electronically through the **Revenue Online Service (ROS)**, ROS will do your self-assessment and will provide you with an instant calculation of your tax liability; letting you know how much to pay on the due date. Any payment instruction will not be deducted before the date input or the due date, whichever is earlier.

You can access ROS through Revenue's website www.revenue.ie

Attachments and Business Accounts

You should not submit any supporting documentation with your Return except where expressly asked to do so. Supporting documentation, including business accounts, **must be retained for six years** as it may be requested by Revenue for the purpose of an assurance check or an audit.

Remember:

- You must prepare business accounts but you should not submit them with your 2024 Return. Instead you are required to complete page 8 for the Primary Trade (and page 40 for Trade 2),
- Do not submit lists or schedules with the Return. The totals should be entered on the Return,
- Do not enter terms such as 'per attached', 'as before', etc. You must instead enter the requested information.

Incomplete Returns will be sent back to you for proper completion and you may incur a surcharge if the corrected Return is submitted late.

Married Couples & Civil Partners

Married couples and civil partners are obliged to submit only one income tax Return. That return should show the income and capital gains, gifts and inheritances, etc. of both spouses or civil partners, unless they have made a formal election to have their tax affairs dealt with separately.

Bank Details

The bank details that you supply on page 36 of the Return will only be used to make a repayment of tax due to you.

Sign and Date the Return Form

Before submitting your Return, be sure to sign and date the Declaration on the front page of the Return. If you are filing the Return as an executor, guardian or administrator, or as an authorised agent; state the capacity in which you are signing the Return and for whom you are acting.

Adjusted income is calculated by adding the amount of specified reliefs used by you for the year to your taxable income and then deducting any ring-fenced income. Please refer to the *Guidance Document on the High-Income Individuals' Restriction* on **www.revenue.ie** for further information.

If you make your own self-assessment, you must, in addition to signing the declaration on page 1 of the form, sign the declaration in the self-assessment panel. If you do not sign this declaration you will not have made a self-assessment.
